Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The Applicant's representative has inquired about which particular limitations of the original claim 1 have been omitted from new claim 8. The Examiner has directed the Applicant's representative attention to the outstanding Office action in which was stated that limitations directed to the placements of the fans have been omitted. The Applicant's representative has also stated that the reply was a bona fide attempt and, therefore the time for response should be extended. The Examiner has stated that since limitations have been purposefully omitted from the claim thus broadening the scope of the claim, the reply is not considered to be a bona fide attempt and no extension of time is permitted.
